

# SUBSTATION HAZARD AWARENESS

September 3, 2025

**COST:** \$125 for non-members  
No cost for members

## About

This training focuses on recognizing and mitigating hazards specific to electrical substations. Participants new to this field will learn about various substation components, potential risks, and the necessary Personal Protective Equipment (PPE) required to ensure safety. Participants who have historically worked in or around substations will find this to be an important refresher.

PPE Requirements:

- Hard hat
- Safety glasses
- Steel-toed boots

## Register

You can register online by clicking the button below:
